GM Six-Cylinder Cutaway (model 680)

GM Six-Cylinder Cutaway SIDE VIEW (model 680)

The Engine Cutaway Trainer (model 680) is a complete late model GM 60° V-6 front-wheel drive engine and transaxle with sections cut away to expose the internal mechanical operating systems. Intake, Exhaust, Cooling, and Lubrication systems are color coded to provide visual cues and allow for easy identification. This training unit includes an electric motor which rotates the engine at a low RPM to show the operation and interaction of the internal working components.
